

YUMKET

User Guidelines

Exploring the Marketplace

Search and select

1.1. Search for Services

Use our intuitive search to find the services that match your digital transformation needs.

- **Filters and Search Functionality:** Use filters in your search to find specific services.
- **Exploring Categories:** Browse different categories to discover various service offerings.
- **Reading Reviews and Ratings:** Check user feedback to make informed decisions.

1.2. Use of Catalogues

Catalogues in the YUMKET are curated combinations of various services designed to address specific business needs. By integrating multiple services, these catalogues offer comprehensive solutions to complex business problems.

For more details, visit the [DOME Catalogues page](#).

1.3. Compare and Decide

Evaluate services based on features, compliance, and reviews to make informed choices.

Purchasing Services

1.4. Selecting a service

To select a service in YUMKET, browse through the available options and use filters to find the service that best meets your needs. **Review detailed descriptions, pricing, ratings, and provider information to make an informed decision.**

1.5. Purchasing a Service

Once you've selected a service, initiate the purchase process by clicking the purchase button. Follow the prompts to confirm your selection and proceed to the next steps.

■ Select Characteristics

Choose specific characteristics of the service, such as:

- **Update Rate:** Define the frequency of service updates.
- **NGSI-LD entity type:** Specify the type of entity for data interoperability
- **ISO27017:** Ensure the service meets cloud security standards.

■ Price Plan

Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo

- **Subscription model:** Opt for a recurring payment plan.
- **Pay-per-use:** Pay only for the services you use.

■ Terms and Conditions

It is vital that before any purchase you carefully read and accept the terms and conditions associated with the service to ensure compliance and understanding of the provider's policies.

■ Select or add the Billing Address

Provide or update your billing address information to ensure accurate invoicing and record-keeping.

■ Purchase Checkout

Complete the purchase by reviewing your order details, selecting the payment method, and confirming the transaction.
